Appendix 5: Moving-window standard deviations for the pairs of the prefectures outside the Pearl River System

This appendix covers the 18 prefectures¹ (Fu 府, Zhilizhou 直隸州) of the provinces Guizhou, Guangxi and Guangdong which are outside the Pearl River System. There exists 153 ($=18 \times 17 \div 2$) combinations with pairs of different prefectures. The data, including the highest and lowest medium rice prices of all prefectures, dated by the Qing calendar, are from “The Qing Dynasty Grain Price Database” established by the Institute of Modern History, Academia Sinica. The unit of prices is fen/shi (1 fen = 0.01 tael silver). For given prefecture pair at every specific month, the relative price is defined as the value of the rice price of one prefecture divided by another, and taken in logarithm. The relative prices for highest and lowest prices are evaluated respectively.

The relative prices within the moving windows of ten years (123 months, leap months in Qing calendar are included) are utilized to calculate the standard deviation. For instance of the pair “Guangdong Chaozhou Fu -Guangdong Gaozhou Fu”, the first window covers months from January of 1736 to December of 1745 (123 months). Use all available relative prices of the highest medium rice within the window to evaluate the standard deviation as 0.1601, and dated as the mid-point of the window (December of 1740). The calculation explanation is described in Appendix 1.

Next move the start and end months to one month ahead (February 1736 and January 1746), and standard deviation is 0.1596 for the second window, dated as January of 1741. Apply the same calculation to highest and lowest prices of all windows, respectively, then the time-series chart of each prefectures could be done. The following charts are in alphabetical order of provinces and prefectures.

¹ In alphabetical order of prefectures: Chaozhou Fu (潮州府), Gaozhou Fu (高州府), Jiaying Zhilizhou (嘉應直隸州), Lianzhou Fu (廉州府), Leizhou Fu (雷州府), Nanxiong Zhilizhou (南雄直隸州), Pingyue Zhilizhou (平越直隸州), Qiongzhou Fu (瓊州府), Renhuai Zhiliting (仁懷直隸廳), Shiqian Fu (石阡府), Sinan Fu (思南府), Sizhou Fu (思州府), Taiping Fu (太平府), Tongren Fu (銅仁府), Yulin Zhilizhou (郁林直隸州), Zhen'an Fu (鎮安府), Zhenyuan Fu (鎮遠府), and Zunyi Fu (遵義府)
